

## Regional Spatial Planning – Regional Roadshow – Programme

### Workshop Agenda

Time	Sessions				
8:30 - 9:00 am	Tea and coffee on arrival				
9:00 - 9:15 am	Welcome				
9:15 - 10:15 am	<p><b>Regional Spatial Planning Introduction (60 min)</b></p> <p><u>Session purpose:</u> Establish a shared understanding and common language. Participants understand regional spatial planning as a <i>strategic, integrative, place-based discipline</i>. Update on Select Committee report.</p> <ul style="list-style-type: none"> <li>• Generic definition of spatial planning</li> <li>• Why regional spatial planning exists</li> </ul> <p>Opportunity to catch up on likely direction of travel for the legislation based on select committee report, while still managing expectations that the provisions aren't finalised yet.</p>				
10:15 - 10:30 am	Morning tea				
10:30 - 11:45 am	<table border="1"> <thead> <tr> <th><u>Taituarā workstream</u></th> <th><u>NZPI workstream</u></th> </tr> </thead> <tbody> <tr> <td> <p><b>Working regionally and setting up a Regional Spatial Planning Cttee</b></p> <ul style="list-style-type: none"> <li>• What does working regionally mean</li> <li>• Regional Spatial Planning in the context of Simplifying LG</li> <li>• What are the options and challenges</li> <li>• Managing the change</li> </ul> <p><b>Spatial Plan Committee set up</b></p> <ul style="list-style-type: none"> <li>• Governance options</li> <li>• Terms of Reference</li> <li>• Challenges/key risks</li> <li>• Resources needed to support</li> </ul> <p>(Led by experienced sector executives – plenary Q&amp;A)</p> </td> <td> <p><b>Understanding difference between regulatory landuse / environmental planning and regional spatial planning</b></p> <p><b>Systems Thinking, Scenarios, Complexity (45 min)</b></p> <p>Build awareness of planning as a systems-based discipline. Participants recognise that spatial planning involves managing complexity, exploring scenarios of change, not finding “perfect predict and plan” solutions. The key is integration – bringing all workstreams into a coherent whole.</p> </td> </tr> </tbody> </table>	<u>Taituarā workstream</u>	<u>NZPI workstream</u>	<p><b>Working regionally and setting up a Regional Spatial Planning Cttee</b></p> <ul style="list-style-type: none"> <li>• What does working regionally mean</li> <li>• Regional Spatial Planning in the context of Simplifying LG</li> <li>• What are the options and challenges</li> <li>• Managing the change</li> </ul> <p><b>Spatial Plan Committee set up</b></p> <ul style="list-style-type: none"> <li>• Governance options</li> <li>• Terms of Reference</li> <li>• Challenges/key risks</li> <li>• Resources needed to support</li> </ul> <p>(Led by experienced sector executives – plenary Q&amp;A)</p>	<p><b>Understanding difference between regulatory landuse / environmental planning and regional spatial planning</b></p> <p><b>Systems Thinking, Scenarios, Complexity (45 min)</b></p> <p>Build awareness of planning as a systems-based discipline.
